Contract Terms and Regulations

All winterization work orders/service contracts are to be turned in by October 1st 2021, and any payments due thereof, may result in forfeit of any service and/or reservation, all payments made are non-refundable, all returned checks for non-sufficient funds shall be assessed a \$50.00 NSF fee. All end of season services must be scheduled with Mindful Mariners LLC in advance and prior to October 1st, 2021. All end of season services must be paid in full before said services will be completed.

Shrink wrap integrity and workmanship shall be warrantied until March 1st, 2022. However, any damage to shrink wrap as a result of extraordinary conditions such as (winds in excess of 40MPH, heavy snow, ice, etc) will be repaired only at the boat owner's expense. Mindful Mariners LLC reserves the right to remove any shrink wrap from any vessel that has deteriorated to a degree that no longer offers any protection from the elements. All shrink wrap fees are based on the length overall (LOA) of the boat, including bow pulpit and swim platform. Customers will be billed if LOA is more than noted on their contract and agrees to pay for any shortages in their calculations/payments as it relates to the LOA for shrink wrap billable services/fees.

Boat owners agree to provide Mindful Mariners LLC with the keys to their boat for haul out and/or for service purposes. All boats must be pumped out before being lifted out of the water, failure to do so will result in a fee of \$50.00. Dead battery fee of \$30.00 may be assessed for any dead battery at time of haul out or should ones battery be dead at time of service. The boat owner understands and agrees that in the event any account balance exists for the boat listed on this contract, Mindful mariners LLC shall have a maritime lien placed upon such boat or equipment until said account balance is paid in full.

By completing this contract, I hereby acknowledge receipt thereof and that I have read and fully understand its contents.
